

Agreements for Irondale Afterschool Drama Club

Arts & Letters - Fall 2019

Phones stay in a zipped backpack or bag. Emergency calls may be made from the office. In accordance with school policy, phones will be confiscated and must be picked up by a parent after class.

No leaving the building. Bring your own healthy snacks! Students will have a chance to eat and relax before class begins and at the break.

Stay in the room. No one may leave the room without permission. No horseplay in the hallways. 1 person goes to the bathroom at a time.

Be respectful of the space. No students in the teacher/staff areas. Nothing out the windows, *including voices!* If you accidentally break something, leave a note and let the teacher know.

Keep your hands to yourself. Don't take or move anyone else's things without their permission. That includes classroom materials like markers, books, soap, and art supplies.

Use classroom chairs and furniture correctly. *Four legs on the floor!*

Be respectful. Be polite and kind. Take turns speaking. Shaming, name-calling, and inappropriate language or behavior will NOT be tolerated, and will result in a conversation with parents.

Be responsible. Help reset and clean the room after class.

Student's Choice Game. At the start of every class, students may write the name of a game or activity they would like to play that day. A single game will be drawn at random and no arguing!

Take care of each other. Let others know when they did something great! If someone seems like they are having a bad day, ask them if they want to talk, or let a teacher know.
